WHAT IS THIS TYPE OF INSURANCE ?

Individual long term care insurance that, in case of longlasting and seriously reduced ability to care for oneself on the part of the insured, pays a monthly allowance and provides specific services as well. This insurance is for everyone who has not reached the age of 70 when taking out to the insurance contract, has his domicile and his permanent and usual residence in Belgium or in another country of the European Union subject to prior consent of the insurer.

WHAT IS INSURED ?

- ✓ Medically diagnosed longlasting and seriously reduced ability to care for oneself on the part of the insured requiring non-medical home care or residential care in a recognized rest home, in a recognized rest and nursing home or in a recognized psychiatric care home
- ✓ The cover consists of:

  Concierge: 24/24 telephone assistance as well as organization and coordination of non-medical care

  Care in kind: provision of non-medical home care (e.g. home help, cleaning help) after a hospital admission with overnight stay in a recognized hospital by the insurer. The duration of this care varies in function of the chosen option:
  - Basic: 6h/hospitalization
  - Classic: 12h/hospitalization
  - Comfort: 15h/hospitalization
  - Top: 30h/hospitalization

  Monthly allowance 'Home and residential care': the amount of the allowance varies in function of the chosen option:
  - Basic: € 300
  - Classic: € 600
  - Comfort: € 1 200
  - Top: € 2 400

  Supplementary monthly allowance 'Residential care', from the age of 75 and for the duration:
  - Comfort: up to the average official rates in Belgium,
    without exceeding the official price
  - Top: up to the official rate of the stay, without exceeding the insured monthly allowance with more than 20%, neither the official price

The plan Exo guarantees as from the age of 65 (maximum age for subscription) the exemption from premium payment of the plan Exo and DKV Home Care during the residential care stay.

WHAT IS NOT INSURED ?

- × Day care in the context of the Care in kind
- × Disorders/symptoms/need for assistance and/or percentage of pre-existing disability
- × Non-medically objectified disorders/need for assistance
- × Period of forced internment or collocation of the insured, unless this measure is exclusively a necessary consequence of the longlasting and seriously reduced ability to care for oneself
- × Intoxication, chronic or non-accidental toxicomania
- × Sterilization, contraception, medically assisted fertility treatments
- × Aesthetic treatment
- × Vaccination
- × Any request for Care in kind that was not submitted within 72 hours following discharge from the hospital

ARE THERE ANY RESTRICITIONS ON COVER ?

- ! Payment of the monthly allowance, per expired month, for the period of longlasting and seriously reduced ability to care for oneself according to the certificate, at the earliest from the 4th month following the application of the insured, with retroactive effect to the first day of the month following the application of the insured, provided that the longlasting and seriously reduced ability to care for oneself is still ongoing at the time of the first payment
- ! Palliative care: the monthly allowance is converted into care in kind. The duration of which depends on the type of care and the insured monthly allowance. Maximum for a period of 3 months, renewable once
- ! The duration of Care in kind can not be cumulated in case of combined options

WHERE AM I COVERED ?

✓ Cover in Belgium or in another country of the European Union subject to prior authorization from the insurer

WHAT ARE MY OBLIGATIONS ?

- Filling out an administrative and medical questionnaire.
- Inform the insurer in case of change of domicile or permanent and usual residence.
- Every insurance case must be reported to the insurer electronically or in writing, using the designated declaration form and the within set out time limit.
- The request for the Care in kind must be submitted by phone at the latest 72 hours following discharge from the hospital.
- Prior agreement of the insurer for the supplementary intervention 'Residential care' of the option Top, if the official price is 20% higher than the insured monthly allowance.

WHEN AND HOW DO I PAY ?

DKV sends you an invitation to pay your annual premium. You can request half-yearly, quarterly or monthly payments (via SEPA direct debit only) of your premium, in which case a splitting fee will be charged.

WHEN DOES THE COVER START AND END ?

Term of the contract: lifetime cover, which cannot be cancelled by the insurer except for the cases provided for by law.
The insurance guarantee begins after issuing the policy and after payment of the agreed premium.
The insurer may cancel the insurance contract in case of non-payment of the premium.

HOW CAN I CANCEL THE CONTRACT ?

As prescribed by law, you may terminate your insurance contract at every annual renewal date by notifying the Insurer no later than three months before such date. The notification may only be realised by means of registered letter, bailiff's writ or handover of a cancellation letter with acknowledgement of receipt.
