## WHAT IS THIS TYPE OF INSURANCE ?

Collective health care insurance without hospitalization and dental insurance with compensatory character after intervention of the Belgian legal health insurance. This insurance is aimed at all enterprises, with 3 or more employees, established in Belgium. The staff members have their domicile and their permanent and usual residence in Belgium or in a neighboring country (the Netherlands, Germany, Luxemburg and France) and benefit from the Belgian social security.

## *WHAT IS INSURED ?*

- ✓ Free choice of healthcare provider
- ✓ Reimbursement at 80% of medical costs without hospitalization 365 days/year, even in case of non-intervention of the Belgian legal health insurance:
  Without qualifying period:
  - Expenses of medical services (visits, consultations)
  - Expenses of paramedical services (kinesitherapy, physiotherapy, nursing care)
  - Expenses of homeopathic treatment, including homeopathic medicines
  - Expenses of acupuncture treatment
  - Expenses of osteopathic treatment
  - Expenses of chiropractic treatment
  - Expenses of pharmaceutical nature
  - Expenses of medical devices (spectacle lenses, hearing aids, etc)
  - Medical prostheses (not dental)
  - Artificial limbs
  - Vaccines: max. € 100 per insured person, per insurance year, within the insured capital.
- ✓ Reimbursement at 60% of spectacle frames, after a waiting period of 9 months and capped at maximum € 85
- ✓ Reimbursement at 80% of dental care costs without hospitalization 365 days/year, even in case of non-intervention of the Belgian legal health insurance
  Without waiting period:
  - Preventive and conservative treatments
  - Orthodontic treatments
  - Periodontal treatments
- ✓ Reimbursement at 60% of dental care costs 365 days/year, even in case of non-intervention of the Belgian legal health insurance
  After a waiting period of 9 months:
  - Prosthetic treatments (prostheses and dental material, bridges, crowns and implants)
- ✓ Services: AssurPharma: sends immediately the pharmacy bills to DKV

## *WHAT IS NOT INSURED ?*

- ✗ Food products and food supplements, vitamins and minerals, hygiene and cosmetic products
- ✗ Contraception, sterilization
- ✗ Medically assisted fertility treatment
- ✗ Aesthetic treatment
- ✗ Maintenance and repair costs, usage costs and spare parts for medical devices
- ✗ Oral and maxillofacial surgery aiming at placing dental implants and/or dental material (including a sinus lift and/or bone substitutes and/or membranes)

## *ARE THERE ANY RESTRICITIONS ON COVER ?*

- ! Maximum intervention: the described expenses are cumulatively reimbursed up to the insured annual capital (per insured and per insurance year)
- ! Waiting period of 36 months between 2 spectacle frames

## *WHERE AM I COVERED ?*

- Worldwide cover: for unplanned treatments.
- Cover in countries of the European Union: for a planned treatment if a prior agreement has been obtained from the legal health insurance and the insurer.

## *WHAT ARE MY OBLIGATIONS ?*

- No medical formalities.
- Enterprise with 3 or more employees: the affiliation of all employees is compulsory. Family members can be affiliated under the same conditions at the expense or not of the employer.
- Inform the insurer in case of change of domicile, change in social security status or of a stay abroad for more than 90 consecutive days.
- Prior consent of the insurer for:
  - paramedical treatments other than nursing care, kinesitherapy, physiotherapy;
  - medical devices;
  - orthodontic and/or prosthetic treatment.

  Not subject to any prior authorization: spectacle glasses, contact lenses, hearing aids, trusses for hernia, stockings for varicose veins, orthopedic soles, plaster casts, lumbar corset, splints and crutches
- Medical devices, medication, bandages and medical material on prescription from a physician.
- Each insurance claim must be reported to the insurer in writing within the designated period, preferably using the digital reporting tools (My DKV or DKV App), or by (electronic) mail.
- The insured undertakes all steps to obtain reimbursement from his/her health insurance fund.

## *WHEN AND HOW DO I PAY ?*

DKV sends you an invitation to pay your premium, which is payable at the agreed periodicity.

## *WHEN DOES THE COVER START AND END ?*

Term of the contract: yearly renewable contract according to the conditions in force.
The insurance guarantee begins after issuing of the policy and after the expiration of the qualifying periods and after payment of the agreed premium. The insurer may cancel the insurance contract in case of non-payment of the premium.

## *HOW CAN I CANCEL THE CONTRACT ?*

As prescribed by law, you may terminate your insurance contract at every annual renewal date by notifying the Insurer no later than three months before such date. The notification may only be realised by means of registered letter, bailiff's writ or handover of a cancellation letter with acknowledgement of receipt.
